Drawings - written desc. measurements
Patent Drawings are not working drawings and are not to scale so length measurements cannot be made from them. In re Wilson & Corns, 136 USOQ 188 (CCPA 1963), In re Wright, 193 USPQ 332 (CCPA 1977). But angular measurements can be made from patent drawings, In re Mraz, 173 USPQ 25 (CCPA 1972. Also, see In re Meng & Driessen, 181 USPQ 94 (CCPA 1974) for a holding that drawings can be applied in determining patentability.
